

## Framingham Earl Parish Council

### Policy Regarding Consultation on Planning Applications

Framingham Earl Parish Council has given delegated powers to the Parish Clerk.

#### Background

Framingham Earl Parish Council is mindful that it has an important role in relation to planning applications. It is a consultee in the planning process. Responses to those applications, must be within a specified time frame, usually 21 days. There is a need for transparency in this process. This policy is written to explain how the council will deal with planning applications so enabling both council members and the public to involve themselves effectively with that process.

#### Responses to planning applications

Planning Applications are accessed via the District Council's Planning Portal. It is the role of the Parish Clerk to monitor the weekly list of planning applications and decisions and bring to Council's attention any planning application requiring parish response. There is a 21-day deadline for responses.

As agreed at Parish Council meeting 5<sup>th</sup> March 2024, Parish Council to adopt the CPRE Norfolk standard light pollution clause, as below, to relevant application responses;

"National Planning Policy Framework (NPPF) Clause 191c and Norfolk County Council's Environmental Lighting Zones Policy both recognise the importance of preserving dark landscapes and dark skies. In order to minimise light pollution, we recommend that, if this application is permitted, any outdoor lights associated with the proposed development should be: 1) Fully shielded (enclosed in full cut-off flat glass fitments) 2) Directed downwards (mounted horizontally to the ground and not tilted upwards) 3) Switched on only when needed (no dusk to dawn lamps) 4) White light low-energy lamps (preferably LED's\*) and not orange or pink sodium sources."

#### Dealing with applications at Parish Council meetings

Where possible, the Parish Council will consider planning applications at its meetings and those applications will be detailed on the agenda. In the event of them being received after the closure of the agenda they will be reported to the Chairman and members as being received. Members should view all documents relating to an application online at the District Council's website prior to a Council meeting to ensure meetings do not overrun.

The Parish Council will consider applications in line with the District Council's Planning Policy guidelines and "material consideration" which includes, but is not limited to:

amenity, appearance of the development, conservation, design, effect on wildlife, highway safety, historic buildings, loss of light or privacy, noise, overshadowing of your home, traffic and parking issues, loss of sunlight.

Issues which cannot be taken into account are civil matters and include: boundary disputes, construction noise, effect on property values, loss of view, private rights

**Dealing with applications outside of the Parish Council meeting**

The Parish Council has given delegated powers to the Parish Clerk in respect of planning applications. In the event of an application being received just after a meeting, and where no extension is possible, then members of the Parish Council will advise the Parish Clerk of their comments on the application electronically within the 21-day consultation period. The Parish Clerk will then respond to the Planning Directorate from the information provided, with the powers under Local Government Act 1972, authorizing delegation to the Parish Clerk.

In the event of an application being received which could be controversial then the Chairman and Parish Clerk could convene a special meeting to consider the application. A quorum of three members (minimum) is required for any meeting.

It is noted that the District Council Planning / Development Control Committee has the final say on all applications, and the Parish Council is only one of many consultees. Parishioners can write to the District Council with their views on planning applications, and it is helpful to the Parish Council if they sent a copy of their letter to the Parish Clerk. Letters received will guide the Parish Council in formulating their response to applications.

Date of policy: This policy was reviewed, amended and re-adopted at Parish Council meeting 1st October 2024.
